Contemporary Storage with Style and Performance

From individual pedestals, mid-sized cupboards, credenzas and large cabinets to lockers, recycling stations and freestanding planters – Volum Art provides a complete storage family that addresses a broad range of needs. The versatile elements support flexible space planning and the ability to charge and connect devices, creating a varied landscape without compromising aesthetics or performance.

The clean design, combined with an extensive selection of colourful materials and finishes, gives the user endless choices and adds a fresh and modern look to any space.

Volum Art makes the workplace more effective. Individual pedestals and credenzas provide easy access to content and materials while standing-height and mid-sized cupboards support impromptu discussions and collaboration.

Large cabinets and cupboards in different heights provide varying levels of privacy while lockers keep personal belongings safe. Integrated and freestanding planters add a natural touch to any space, creating an inspiring and welcoming environment.
