We bring silence everywhere

More space for ideas

Space 4 cozily fits four but also without any hassle up to eight people for an efficient brainstorming session or for a longer meeting that requires everyone to be on the same wavelength.

The modular structure means that you can quickly change your Space size when you need it. By adding modules you can upgrade your Space size for as many people as you like.

You can also get two four-people Spaces by splitting your Space 4 modules.
