Sustainability

- Aluminum beams and no PCV used increase the recyclability of the Viga furniture.
- Thanks to over 1 mm thick natural veneer finish, Viga's worktops can be easily sanded down and renovated.
- Sustainable production – we are not indifferent to the environmental impact of our furniture, therefore we provide the essential information on the life cycle of our products through the Environmental Product Declarations (EPD).

Guarantee

.mdd products - 5 years.

Electrical components and fabric - 2 years.
