

17-0079951

## Versatile and multipurpose

TouchDown is a multipurpose collaboration table available in different heights, shapes and sizes. It offers the flexibility to be used adjacent to a desk, as a low or standing-height side table to scribble some notes, or as a meeting table.

# 96%

Percentage of highly engaged workers who work at companies that encourage teamwork and collaborative work.

*Steelcase Global Report 2016*

17-0079673

### FLEXIBILITY FOR SOCIAL SPACES

TouchDown supports informal meetings from two to six people. Castors and fold-away tables offer the flexibility to move and reorganise the space as needed.

17-0079659

### SUPPORT FOR COLLABORATION

Collaborative tables are easy to use adjacent to desks and as side tables to support dyadic work near the workstation.

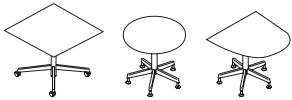

17-0079686

### VERSATILITY ACROSS THE FLOORPLAN

An informal destination to connect, share and build trust. TouchDown is available in both sitting and standing heights. It offers fixed height tables and telescopic sit-to-stand versions.
