

Steelcase

Steelcase Flex™ Rocker Stool

People move. Steelcase Flex Rocker Stool moves with them. This active seating solution follows the body's natural flow, helping people stay focused and ready to collaborate.

Features

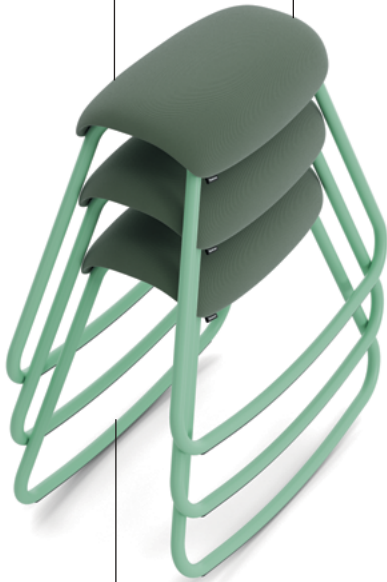

Easy to carry and quick to place in any collaborative space, Steelcase Flex Rocker Stool sits right where active seating matters most— supporting teamwork on the go.

Lightweight Frame

At only 5kg, this active stool is easy to carry and reposition, enabling quick transitions in multi-modal spaces.

Detachable Upholstery

Seat upholstery can be replaced over time, providing a simple way to refresh its look as needs change.

Stackable Design

Stackable up to three units, this stool can be conveniently stored away when not in use.

Dimensions

Height	545mm	Weight	5.1kg
Width	650mm	Stackability	up to 3 units
Depth	360mm	Maximum load capacity	110kg

People + Planet

Steelcase Flex Rocker Stool uses minimal materials and has a lightweight design with lower embodied carbon. Its primarily steel structure is engineered for separability and is paired with replaceable components that help extend product life and support recycling.

Surface Materials

Available in seven curated color combinations, with a customizable option, Flex Rocker Stool blends choice & control with the opportunity to tailor the product to your needs.
